Opportunities for All

WIs and federations are encouraged to invite an NFWI Trustee to speak at any events they are staging at which there will be more than 50 WI members in attendance. It will be a unique opportunity to learn more about your NFWI, and all the inspiring opportunities it provides for WI members.

WIs could organise events with neighbouring WIs, or federations can use this opportunity to bring a member of the NFWI Board to a new WI Officers' meeting. We look forward to hearing from you.

Please contact Karin Gumble for more information and an application form.

***NB:** Federation Council Meetings will not be considered, as the aim of Opportunities for All is to engage more closely with members than a council meeting agenda allows.*

2017 NFWI Annual Meeting – important travel information

We would like to draw your attention to a travel update for the Annual Meeting in Liverpool. Renewal work is being carried out by Network Rail on the city centre underground sections of the Wirral line in Liverpool. As a result, the Wirral line trains will not service Moorfields, Lime Street and Liverpool Central stations. At certain times, trains towards Liverpool will be unable to travel beyond Birkenhead Central and Birkenhead North. Please note that the mainline rail services to and from Liverpool Lime Street are not affected by the renewal work. For more information please visit <http://www.merseyrail.org/wirral-track-renewal.aspx>

Members' Open Days

The NFWI will be hosting two open days for members on 22 and 23 November 2017. The days will be hosted by the NFWI Chair and a member of the NFWI Board of Trustees, and will give members the opportunity to find out about the work of the NFWI, have a tour of the building and meet the staff.

Further details and a booking form can be found in the NFWI March mailing and on the Membership area of the WI Moodle. If you have any queries relating to the open days, please contact Charlotte Maughan.

PUBLIC AFFAIRS COMMITTEE

Contact details for the NFWI contacts mentioned below can be found at the end of the newsletter.

Food matters campaign – Take part in the food waste weekend of action from 19-21 May

As part of the NFWI's Food Matters campaign to reduce food waste, WI members across the country investigated their local supermarkets to see how supermarket practices enable waste in the home. Over 5,000 members took part and the findings show that supermarkets can, and must do better to help their customers waste less.

The NFWI has now published a report on the findings, alongside a Food Waste Manifesto, which sets out the actions that supermarkets must take to reduce waste. From confusing date labelling to 'wonky' veg ranges, consult the report to see what your nearest supermarkets are doing and how they can improve.

We are asking members and WIs to visit their local supermarkets during the weekend of action (19–21 May) and present the Manifesto to the store manager.

For more information and copy of the Manifesto and campaign action pack, please contact the Public Affairs department.

Carers Welcome – Take part in our research

Are you an unpaid family carer of someone with Alzheimer's disease or dementia? Has the person you care for recently (last five or so years) spent time as a patient in hospital?

If you answered 'yes' to the above two questions, then we need your help. As part of our *Carers Welcome* campaign for the rights of carers to access their loved one in hospital, we have launched a survey examining the experiences of carers just like you.

Please help the campaign by filling out our survey and ensuring your voice is heard.

To take the survey online visit: www.surveymonkey.co.uk/r/carerswelcome1

To request a paper copy of the survey, contact Lisa Plotkin. The survey should take 30–45 minutes to complete, depending on how detailed you wish to be. All responses will be kept strictly confidential. **The survey closes 15 May 2017.**

2017 Annual Meeting Resolutions

Two resolutions have been selected to go forward to a final vote at the Annual Meeting in Liverpool on 7 June. WIs should vote on each resolution separately. They should NOT vote for one resolution over the other, but need to look at each resolution independently and vote for or against each of

them. If both resolutions achieve a majority of votes ‘for’ at the Annual Meeting, then the NFWI will pass the two resolutions and the NFWI will campaign on both these issues.

The two resolutions selected to go forward to the Annual Meeting are:

Alleviating loneliness

This meeting calls on every WI and the NFWI to work alongside health and social care providers and their local community to raise awareness of the causes and impacts of loneliness, thus ensuring better identification of lonely people in order to be able to offer them appropriate assistance and support.

Plastic Soup: Keep microplastic fibres out of our oceans

Microplastic fibres are shed from synthetic clothing with every wash and are the main contributors to microplastic contamination of the oceans. The NFWI calls on Government and industry to research and develop innovative solutions to this problem in order to stop the accumulation of microplastic fibres in our oceans.

The Public Affairs team has produced more detailed briefing notes on the two resolutions, which were sent out to all WIs in the March mailing. Further resources, including presentations and interactive quizzes, are now available on the NFWI website to help you with your resolution discussions.

Next step for Climate Campaign – Week of Action 1 – 9 July

Throughout February, thousands of members shared green hearts to start a conversation about the threat climate change poses to our special places across the country. The NFWI received photos from over 130 WI members who knitted, baked and held green heart events in their communities to show their love for the environment. Building on the success from Show the Love, we will be taking these conversations directly to MPs in a **Week of Action from 1 – 9 July 2017**.

The Climate Coalition is linking up with the Community Energy Fortnight and will bring together community energy initiatives, schools, faith leaders, sports clubs and local businesses to celebrate the crucial role that community energy initiatives play in reducing carbon emissions, and inviting MPs to champion this commitment in Parliament. It is a chance to highlight to MPs the breadth of people who care deeply about the environment and climate change. We will have resources and training to help you make the most of meeting your MP, so please get in touch with Sophie Page to register your interest in the Week of Action.

SCIENCE & LEISURE COMMITTEE

Contact details for the NFWI-Unit contacts mentioned below can be found at the end of the newsletter.

Elizabeth Bell Challenge

The NFWI received 11 entries from 8 federations and although response to this competition was lower than expected, all entries demonstrated a great level of skill and told beautiful – and inspiring – stories about the WI. Judges, Lisa Heledd Jones from Storyworks said: *“It really was a strong cohort of entries and everyone who submitted something can be very proud of their work. I hope you’ve enjoyed making these stories and that you’re inspired to make many more in years to come.”*

Congratulations go to:

- 1st Newnham WI, Gloucestershire Federation
- 2nd Newton Regis WI, Warwickshire Federation
- 3rd Bolsover WI, Derbyshire Federation

All entries can be viewed via the link on the WI Moodle/General/Competitions.

National Gallery Study Day – Makers and Muses: Women in Art

Following the great success of last year's Makers and Muses Study Day at the National Gallery, we have now set a date to repeat the event on Friday 30 June 2017.

As before, the day will be hosted by National Gallery experts and will cover topics such as the status of women artists, the purpose of their paintings and obstacles to success, women painters and self-portraits, the female muse and the male gaze, and the science behind the paint. Tickets cost £18 (price does not include lunch or refreshments, and tickets are non-refundable).

Please contact your Federation Secretary for an Application Form, alternatively all documents relating to the event can be downloaded from the Moodle/General/Combined Arts area.

Netball England and the WI

This exciting national partnership will bring the opportunity for WIs across the country to join in with Walking Netball; a wonderful game designed at a walking pace so that anyone can play it, regardless of age or fitness level. To help make this partnership a success, we have applied for government funding to make Walking Netball available to any WI that is interested.

If you would like to register your interest in being a part of this exciting new partnership, then please email Helen Neal at the NFWI Unit.

Lady Denman Cup Competition 2017

Inspired by the Climate Change Campaign *For the Love of*, the Lady Denman Cup Competition 2017 invites WI members to write a piece of poetry about what they love that could be lost to climate change. Entries can be written in any poetical style but must use no more than 500 words.

Entrants must submit four copies of their entry, typed if possible, on A4 paper to their Federation Secretary (some federations may accept entries via email, please check before sending). Any

entries sent directly to the NFWI Unit without being approved by the federation, cannot be entered and will be returned to the entrant. Deadline for federations to submit their chosen entries to the NFWI Unit – Friday 28 July 2017.

Especially Theatre and the WI

Building on member's passion to be a part of a theatrical performance, the NFWI has teamed together with Especially Theatre to offer members the opportunity to learn more about what it takes to put on the perfect production! Working with theatre professionals, federations and WIs will have the opportunity to host a workshop(s) covering theatrical topics relevant to your members, such as how to promote a show and attract new members, how to direct a show, and acting for beginners. For more information, please visit the Moodle/General/Combined Arts area or contact Helen Neal at the NFWI Unit.

Lonely Bouquet Campaign, 5 May 2017

In collaboration with the National Association of Flower Arrangement Societies (NAFAS) we are promoting the Lonely Bouquet Campaign on National Flower Arranging Day on Friday 5 May. The idea of the Lonely Bouquet is to spread a little joy by making a small bouquet, or even just a single bloom, and leaving it somewhere for a random stranger to find. Last year 60,000 bouquets were made and distributed. Bouquets can be tagged to give details of which WI (or Flower Club) made the bouquet with contact details. Information has been sent to all Federation Secretaries and Contacts. If you have not received the information, please contact Angela Dearlove (details at the end of the newsletter). A step-by-step Guide has been sent in the March Mailing to all WIs.

Skills Videos

In collaboration with the WI Cookery School at Denman, the Cookery Committee has started filming some short skills videos to provide WI members and the wider public with some handy tips and tricks to try in the kitchen. Watch the website and social media to find out when they are available.

Recipe Archive/Collection

The Cookery Committee is in the very early planning stages of creating a WI recipe archive. Several members have been in touch to say they have recipes that they think may be of interest for this project. We are very keen to hear from more WI members who may have a WI recipe or cookbook of interest.

Calling for food and cookery success stories

We would like to invite members, WIs and federations to get in touch and share with us your cookery-based success stories or popular food-based activities which have taken place in your area. Perhaps you have a foodie subgroup that meets regularly, have run cooking courses, or engaged with local community groups to share cookery skills. We would like to hear what you have been up to, what has worked well and what you are planning to do in the future, in the hope that we can offer our support and share ideas between federations, WIs and members. We would also like to hear from any WI members who have written their own recipes and would be interested in contributing to the food area of the WI website.

Please email v.murphy@nfwi-unit.org.uk

NFWI Textile Archive/Collection

The Craft Committee are responsible for the NFWI Textile Archive/Collection and work has started to create a digital catalogue to showcase all the pieces in the collection. This will ensure the longevity of this collection. Look out for more information on this project over the next few months.

Spoons – A Stirring Tale!

The NFWI Craft Committee, in collaboration with Salisbury Museum, held a series of workshops in October 2016 which 90 WI members attended and either knitted or stitched a spoon based on the collections of spoons found throughout the museum. All finished pieces were sent to a ceramist to be dipped in porcelain.

The porcelain spoons will be exhibited at Salisbury Museum from 8 April – 3 September 2017 and will run alongside their major summer exhibition 'British Art: Ancient Landscapes'. The museum has agreed that all WI members attending the exhibition will be entitled to a half-price day ticket, which will include entry to the whole museum and all current exhibitions; tickets must be purchased on the day and members will be asked to show proof of their membership to receive the discounted ticket. To find out more about the museum and exhibition, please visit

www.salisburymuseum.org.uk

ShoWIng Off workshops

Whatever your need, these fun and informative workshops will give you the confidence and knowledge to be able to produce a creative, balanced display. The tutor will come to your federation. TRAINING COMMITTEE

Contact details for the NFWI contacts mentioned below can be found at the end of the newsletter.

WI Moodle Support Working Group

The Training Committee is looking for a small group of volunteers who would be willing to undertake this work. It will be necessary for volunteers to attend meetings (maximum two per year) at the NFWI Unit at Denman with the Chair of Membership Support? to discuss and review the support provided to archivists in their federations. Working as a group, there would also be meetings held via Skype. Travel costs would be paid. Volunteers should have a sound understanding of the history of the WI, the federations and WIs, and have an interest in preserving the past for the benefit of future generations. After training by NFWI they will be able to act as advisers to ensure the safe preservation of the Federation and WI archives. They will need to be well organised and have a pleasant, friendly and enthusiastic personality. IT skills would be essential, as well as the ability to give clear explanations. If you would be interested in volunteering to join this small group, please contact Val Andrews at the NFWI Unit v.andrews@nfwl-unit.org.uk

IFE training

Do you have a group of members who would like to be trained to independently examine WI Accounts? A member of the Training Team will come to your federation and advise you on the best methods of setting up a scheme within your federation. A refresher course is also available. The cost is £205 for a one-day course, plus trainer hospitality and photocopying. Contact Val Andrews for further information.

Federation Archivists Conference

The Training Committee will be holding a conference for federation archivists 20 – 22 November 2017. Information and application forms have been sent to Federation Secretaries.

Digital storytelling

The Training Committee has developed an interactive course for the Moodle on how to create your own digital story. A digital story is like a talking scrapbook and can be shared in all sorts of ways with friends and family – in exhibitions, in presentations, and online. Creating a digital story is a perfect way to record your WI or federation Centenary celebrations. See the link on the WI Moodle front page.

Social media/networking resources

Social networking is a way of using your computer/smartphone to talk to other people, and to share information and media such as photographs or videos – whatever you want! There are many social networking websites that allow you to do the above, but the NFWI primarily uses Twitter and Facebook – currently two of the biggest social networking websites.

If you are looking to explain social media to members, you can download and use our [Social Media Training Presentation](#) under the Communications section of the WI Moodle. There are also useful step-by-step guides to using Twitter and Facebook that you can download. If you need any further help, or have any questions about Twitter or Facebook, you can contact the NFWI Press and PR Officer Joanna Rayner.

Federation Trustee training

Federation Trustee training will continue to be offered free of charge, apart from trainer hospitality and photocopying. All days include a review of the responsibilities of a Federation Trustee. A member of the Training Team will come to your federation to train your Federation Trustees. For further information, please contact Val Andrews.

A guide to being a Federation Trustee

A short interactive course for members who would like to find out what being a Federation Trustee involves can be accessed on the WI Moodle. After completing the course, if you decide you may be interested in being a Federation Trustee, please contact your federation office. This course would also benefit existing Federation Trustees who would like to refresh their skills and knowledge.

COMMUNICATION SKILLS

Communication Skills for the Leadership Team

This new one-day workshop is aimed at Federation Trustees, WI Advisers, Digital Champions, Denman Ambassadors, Federation Contacts and anyone else involved in speaking in public at federation level. A member of the Training Team will come to your federation and the day includes preparing for speaking in public, persuasive speech, impromptu speaking, listening skills, and dealing with difficult issues. The cost is £205 plus trainer hospitality and photocopying. Contact Elaine Smith for further information.

Stand Up and Be Heard

This is an informal one-day workshop open to any member. It is particularly useful for building the confidence of WI Presidents and Secretaries and those members who find it nerve-wracking to stand up at their WI to make an announcement or to thank the speaker. It looks at learning how to relax and enjoy speaking to others. Federations that have held these workshops have all said how helpful and exciting the day was. A member of the Training Team will come to your federation or WI. The cost is £205 plus trainer hospitality and photocopying. For more information, please contact Elaine Smith.

Speaking with Confidence courses

For a more structured communication skills course, your federation may be interested in holding a Speaking with Confidence course. These two-day courses aim to develop students' confidence and ability to speak in public, to express themselves clearly without undue stress and to make the best use of their voices, and can lead to a Laser Learning Awards accreditation on completion of Parts I & II. If they wish, students can progress to Part III, which is accredited by the English Speaking Board. For further information, please contact Elaine Smith.

Wow Your Audience

This is a one-day workshop open to any member and aims to give members the confidence and skills necessary to prepare and deliver successful presentations, with particular emphasis on PowerPoint. We'll come to your federation or even to individual WIs. Students will also be shown how to put the equipment together. The cost is £205 plus trainer hospitality and photocopying. For more information, please contact Elaine Smith.

Members' Fundraising Stories

The ladies of N1 WI, Middlesex Federation, have set themselves the challenge of walking 185 miles in nine days to help raise funds for the Saving Denman Appeal. They will be walking the Trans Pennine Trail from Liverpool to Hull starting on Saturday 27 May and finishing on 4 June. WI members are invited to walk with them for the whole 185 miles or even just one mile – the more the merrier! Contact N1 WI via their website if you'd like to take part: n1wi.co.uk

This year also sees the return of the Round the Borough Hike and Bike in Surrey and members will be taking part to raise funds for the Appeal. Events take on a 20-mile off-road route that joins up the beautiful open spaces in Epsom and Ewell, including Epsom Downs and Nonsuch Park. The first event is by bike and it is taking place on Sunday 14 May. The hike will take place later in the year on Saturday 2 September. Both events start and finish at Horton Country Park. Participants who complete both events inside a year will receive a medal for their efforts! If you'd like to take part, please visit the Council website: www.epsom-ewell.gov.uk/rbhb. A fundraising page has been set up for anyone wishing to sponsor those participating in the event: www.justgiving.com/fundraising/epsomroundtheboroughbike

A massive thank you to everyone who has raised funds for the Appeal so far. We've received some wonderfully inspiring fundraising stories from members and we're sorry that we can't publish every one.
