Dear members

CORONAVIRUS

After careful consideration of the facts, guidelines and information regarding the current situation, the Trustees have decided that all planned Federation Events, including the Spring Countdown Meeting and the Chairman's Coffee Morning, are cancelled for the foreseeable future.

We will be asking the Sub-Committees to consider their forthcoming events, being conscious of the need to minimise risk for the organisers and the members, and you will be notified of details of cancelled events in due course.

The Federation Office will remain open at the moment, and you will be advised of any changes. Should you need us please contact us by phone or email in the first instance.

Please check our website, and social media pages for updates on the current situation, which we expect will change on a daily basis over the coming weeks and months.

With regard to your own WI meetings, if you decide to temporarily forego your meetings, please do bear in mind those members who are on their own and do your best to stay in touch with each other.

Please take notice of the advice being issued and take care of yourselves and your families.

With best wishes to you all

Margaret
