

COMPETITION TO CELEBRATE THE 20th ANNIVERSARY OF CFWI HEADQUARTERS, CHY NOWETH AN CONTETH

In 2003 our CFWI headquarters, Chy Noweth an Conteth, opened with great fanfare, with the Princess Royal in attendance.

Now, in 2023, we will be celebrating Chy Noweth's 20th birthday.

CFWI would like to commemorate and celebrate this with the launch of a specially designed tea towel and we invite members to enter a competition to create an appropriate design. We hope that the design will reflect aspects of the WI in Cornwall and appeal to our members.

The winning entry will be printed by a Cornish company and then sold through our WI Shop.

There are some guidelines for the design:

- The design artwork can be created on paper, digitally, or a combination of both.
- The design must be drawn at the final print size – 69cm x 44cm.
- Only one colour should be used. The design will be printed on white ethically sourced 100% cotton cloth.
- More information about colours available, fonts, file types etc., can be provided on request or by checking the website of our print house – www.lornawiles.co.uk
- Please send entries to the Federation Secretary at Chy Noweth before the closing date, Thursday 27 October.
