

Royal Cornwall Show
The Market Place
(formerly Federation Sales Stall)

Dear All,

Following tradition we will again be staging a sales table within our marquee at the Royal Cornwall Show and are once again appealing to our wonderful members to help us fill the stall with many wondrous individually made items.

We love to receive all your knitted and stitched items but would also welcome some of the more unusual crafts such as, macramé – marquetry – poker work – little boxes – decorative crafts – glass engraving – mosaics – virtually anything you can think of to surprise us.

This year we are also planning to include jewellery, necklaces that have been sitting in your drawer for years, bracelets, earrings, these can all be polished up and hopefully sold to raise a few more pounds for the Federation.

I have been writing this appeal for several years now and you have answered the call magnificently, I sincerely hope you will find yourselves able to rise to the challenge once again. If you have any queries please don't hesitate to contact either Penny Picton or myself and we will do our very best to help.

With our best wishes to you all as you beaver away on your projects and search out that jewellery.

Many thanks

Margaret Johnson (01208 859201) and Penny Picton (01209 843024)
