RESOLUTIONS ROADSHOW 2024

Make your voice heard!

Our resolutions process puts members at the heart of decisions about WI campaigns to change current issues in society. Members play a key role in achieving change on important issues by choosing and voting from the shortlist of resolutions as detailed in your November/December 2023 issue of *WI Life* magazine.

Instead of a single Spring Countdown meeting, the Board of Trustees, the Membership Support Sub-committee and the Environment and Public Affairs Sub-committee have arranged to bring the resolution meetings out to you, as follows.

Wednesday 24 April 2024 at Millennium House, Pensilva – 7-9pm

Thursday 25 April 2024 at Connor Downs WI Hall – 2-4pm

Friday 26 April 2024 at Chy Noweth an Conteth – 10am-12pm

Monday 29 April 2024 via Zoom – 7-9pm

Once CFWI has been notified of the final result of the shortlisted resolution selection, we will seek experts to speak on the topic. All members are invited to attend to gain a good understanding of the issues which can then be cascaded to your members at your Resolutions meeting in May. Delegates to the NFWI Annual Meeting are expected to attend as part of their responsibilities in representing their linking group.

These events will need tickets but are free of charge to delegates and members and, in true WI style, refreshments will be available for a small donation.
