

CORNWALL FEDERATION OF WOMEN'S INSTITUTES RESOLUTIONS: YOUR VOTE COUNTS

You will have received the Resolution timetable for 2025/26 in your July mailing from NFWI.

As in previous years, the November issue of *WI Life* will include details and a selection slip regarding the resolutions.

Every member has a right to an individual selection (it should not be one resolution from your WI as a whole). Selections can be sent in the following ways:

- Selections counted by a member of the WI and the totals for each resolution sent by email.
- The selection slips collected from individual members and sent by post as below.
- Individual members may also send their selection by post or email.

Selections must reach Resolutions Coordinator Carol Matta **by Friday 6th February 2026** so they can be counted and the results forwarded to NFWI, who will collate the total from all Federations. You will then be able to discuss the final selected resolution(s) at your May monthly meeting.

SELECTIONS MUST BE RETURNED TO:
