MISSION STATEMENT

The WI Vision
To create a world where women come together to learn, share skills and work together to become active citizens, influencing change to improve lives in their local, national and global communities.

We Connect Women
Our movement offers women of all ages and backgrounds a unique chance to come together and share experiences, tackling social isolation and building community cohesion.

We Support Women
We support women to learn, develop new skills and achieve their goals throughout their lives, building confidence and improving physical and mental wellbeing.

We Empower Women
We empower women to use their voice individually and collectively to achieve real changes on the issues that matter to them.

THE GREEN CHARTER

We shall aim:

1) To minimise our effect on the environment by:
   a) Reducing consumption
   b) Using available resources more efficiently
   c) Recycling
   d) Seeking not to pollute

2) To consider the environmental impact when making any Board of Trustee decisions.

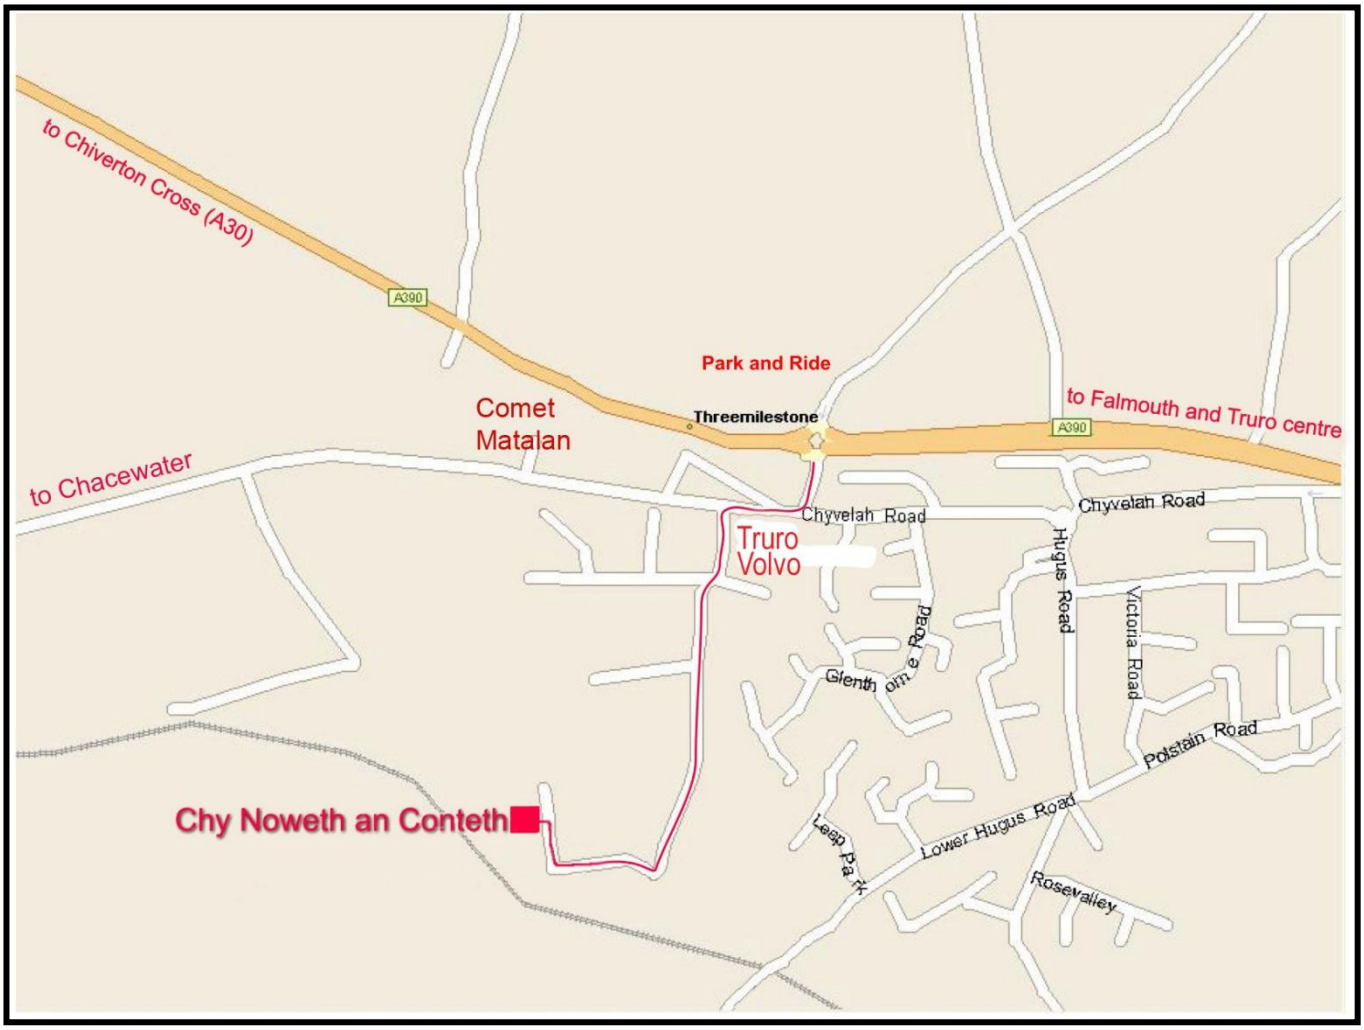

3) To create and adhere to an action plan, to be reviewed and, if necessary, updated annually.

4) To encourage through communication and training all those using Chy Noweth an Conteth, all WIs and all those associated with the Cornwall Federation of Women's Institutes to use responsible environmental procedures.

To monitor and evaluate our environmental performance, and to make the findings available to interested parties and the public.

DIRECTIONS TO CHY NOWETH AN CONTETH

Chy Noweth an Conteth
Truro Business Park, Threemilestone, Truro TR4 9NH

From the Threemilestone-Chacewater Road, at the traffic lights, turn left at the Volvo garage into the Threemilestone Industrial Estate.

Follow the twists and turns of the road past the sign for Truro Business Park, but do not turn off anywhere.

At the sharp bend, bear right and continue. Chy Noweth an Conteth is to be found on the left-hand side of the next bend, clearly signposted.

Assistant WI Shop Coordinator	Avril Pile
Yearbook Editor	Helen Kestle
Assistant Year Book Editor	Jane Dover

WI INDEPENDENT FINANCIAL EXAMINATION

Our Constitution requires all WIs to have their books independently examined after the year-end. The Charity Commission requires that this be done by any person who has the necessary knowledge and experience, and who has no connection with the Charity Trustees (the WI committee).

The task of an Independent Financial Examiner (IFE) is to examine and comment upon the accounts with special regard to the use of WI funds being in compliance with the WI Constitution and the charitable status of the Organisation. They also give guidance to WI Treasurers in order to make for easier and better operation of the accounts.

The IFEs are spread around the county and as far as possible we try to appoint someone within reasonable distance to your WI Treasurer. There is a minimal cost of £30 as a thank you to the IFE for basic examination.

INSURANCE

CFWI GROUP SCHEMES FOR WIs

The Federation has two different group schemes in operation, for which the Federation Treasurer holds the master policies. Payments are made to these schemes when you pay the affiliation fees. All are very important and WI committees are advised to seriously consider subscribing to them, as robberies and accidents can happen any time.

TREASURER'S INSURANCE

Although we discourage WI Treasurers from holding money in their homes, we acknowledge that it is sometimes unavoidable. In those cases, this insurance will cover against the theft of money from your Treasurer or anyone else appointed to hold money on her behalf. The limit of liability is:

- In the insured's premises when closed for business
    - In a locked safe or strong room £2,000
    - Not in a locked safe or strong room £500
- In the dwelling of any person to whom the money is entrusted £300
    - But increased to £750 when in a locked safe or whilst an adult is in residence

PUBLIC LIABILITY

The cost of this cover is based on the total membership of the WI, regardless of age. It insures your WI against claims for injury or property damage by ANYONE, at ANY PLACE, arising from usual WI organised activities. Queries on cover for unusual events should be referred to the Federation Treasurer. The claimant MUST prove, in law, negligence on the part of the WI or its members for the claim to succeed.

However, if the court does decide that you were negligent, then the damages awarded could be astronomical, hence the importance of this insurance.

Those WIs who own their own halls are advised to check that their insurance gives adequate cover for public liability, both for the WI and for anyone you let it to. Please also check whether you are covered for events which you organise elsewhere. Building insurances do NOT normally include such cover – in which case you may feel you should subscribe to the CFWI group policy, in addition to your existing insurance.

It is important that such checks are made by WIs which use an outside party's hall. You are advised to get confirmation in writing that such cover exists, and with what limitations.

CAR INSURANCE FOR WI MEMBERS

Where members provide transport for other WI members when on WI activities, they should check their legal position with their insurance companies by writing to them in the following terms:

"From time to time I find it necessary to use my/my partner's/my husband's/my wife's car in connection with WI activities, such as the collection of other members to take to functions or the carrying of items to sales of work and the like. The WI members reimburse me with my petrol costs for these activities but there is no question of my making a profit. Please confirm that these activities fall within the scope of my/my partner's/my husband's motor insurance."

CAR INSURANCE FOR SPEAKERS

Members may not be aware that if car insurance only covers personal, social and domestic use, (the most usual type of cover), then a speaker receiving a fee could well be classed as using it for business purposes, thus contravening the usage warranty. This means, of course, that to all intents and purposes they are driving without insurance, thus rendering themselves liable to a fine and the loss of their driving licence for a year. This applies to all major insurance companies and the best way to overcome this is to ensure that the car has Full Class 1 coverage. This covers the policyholder ONLY for business purposes also. If it is a case of a someone driving a partner's, wife's or husband's car, then it is advisable to check the terms of the policy with the insurance company concerned, so that the position is quite clear.

Please consult with your GP/seek medical advice to ensure that any physical activities undertaken with CFWI organised events are suitable for you.
